DOUBLETREE HOTEL DOWNTOWN | 11:30 AM TO 1:00 PM  
616 WEST SEVENTH STREET | TULSA, OKLAHOMA

### "THE PRESIDENT'S SON: A View from the White House"

THURSDAY, OCTOBER 27 | GUEST SPEAKER

## STEVE FORD

*Recommended for 1 CPE*

Today, we are pleased to welcome Steve Ford, son of President Gerald and First Lady Betty Ford and an accomplished actor.

During this presentation, Steve Ford will share the tools of his own success in Hollywood and those of his parents, former President Gerald & First Lady Betty Ford. Steve's unique perspective of life as the President's son encompasses a broad range of fascinating subjects including his father's leadership in pardoning Richard Nixon and his mother's bouts with alcoholism and breast cancer.

Steve's presentation will focus on concepts such as forgiveness, mercy and grace as they relate to real-life issues in leadership, overcoming adversity, and family values. He also walks attendees through the early habits he formed during his middle school, high school, and college years that led to his own addiction to alcohol. He speaks openly of the high price that's paid for bad choices and shares tools that lead to a life lived with personal integrity and boundaries.

Within each of Ford's stories is an insider's view of life in the public eye, featuring many historic and never-before-seen photos, slides, and videos. Described as a cross between The History Channel and The Book of Virtues, Ford continually focuses on the importance of character, integrity and right choices.

### **ABOUT YOUR PRESENTER**

Steve Ford will bring an insider's view of the White House with fascinating little anecdotes. He will offer the lessons learned first as the son of President Gerald R. Ford and then as successful actor in Hollywood for over 25 years. His focus will be on choices we all are forced to make regarding character, integrity and ethical leadership in the workplace and at home with our families. **Steve asks the question.... "What do you do when no one is looking?" .....that is our true character.**

Steve will bring a broad range of inspirational stories from the Nixon pardon to how the Ford family dealt with their mother's bout with alcoholism. Within each story Steve will challenge the listener to rethink their own lives and daily choices regarding character, integrity and ethical leadership. The question being what kind of stories will your children and grandchildren be telling about your character.

- **Do you live your life in a way that allows positive change and transformation regarding building your legacy**
- **Ethical leadership decisions....Long term results verses short term results**
- **What kind of ethical leader will you be remembered for?**
- **Why is character so important?**
- **Are you teaching and investing ethical leadership qualities to those around you?**
